*This number does not include an amount paid to Kodiak as required by Public Law 105-83.

NOTE: Appropriations are added to the previous year's net receipts to make Revenue Sharing payments to counties that are owed for the previous Fiscal Year (e.g., FY 2001 appropriations + FY 2000 net receipts = the Fiscal Year 2000 payments to counties). Fiscal Year 1976 figures are for 15 months - when the fiscal year was extended from June 30 to September 30. Fiscal Year 1979 is the first year appropriations were authorized to offset the difference between the receipts available for Revenue Sharing payments and the amount due the local units of government (Public Law 95-469), and Fiscal Year 1985 includes the Graham-Rudman reductions. The Fiscal Year 2001 numbers are based on the FY2002 Budget Justifications for the U.S. Fish and Wildlife Service.
